

Eileen Dunn

Nomination for Committee Member, Committee of the Celtic Club

One of nine children in the Conlan family, I have always valued my Irish heritage and history. My family ran several pubs over many years across Melbourne. My interest in music and theatre was supported in my family environment. Other interests include horse racing and grandchildren.

I commenced as a teacher before pursuing my interest in arts administration. I joined the Victorian Youth Theatre and the success of this program has been the ongoing inspiration for the company to build young people's performing and personal skills through the performing arts. The company has grown to be one of the largest Performing Arts companies in Australia with classes for students aged 4 to 18 covering drama and music theatre. I have managed this expansion and many national and international performance tours to Asia, Europe and the USA.

Running a business has trained me in all aspects of financial monitoring, IT and quality service delivery therefore I believe I have many skills to contribute to the Club.

I ask you to support the following candidates: Brian Shanahan, Helene McNamara, Conrad Corry and Denis Swift (as office bearers) and Ciaran Crehan, Brad Green, Clare Murphy, Peter Hudson and Eileen Dunn
