### Nomination for Committee Member, Committee of the Celtic Club

Fellow Celtic Club members.

I am putting my name forward in the forthcoming elections for committee members. I would be extremely thankful for your vote.

I am not happy at all with the performance of the present COM, who have been there too long. I sincerely believe that if changes are not made in that area there will be nothing left of the Club when the next election comes along in 2 years.

The President claims we are a rich club with between 15 and 18 million in the Bank but it is disappearing rapidly. I do remember when the Celtic Club was a rich club with freehold premises in the CBD. As things stand we are looking at Strata Title or moving around from lease to lease in the future, semi homeless!

We need to open the Club to members' input and ideas. We will show members the Minutes and the financials monthly. We will attract younger members by putting on the right entertainment. I have had plenty of experience in the past on various committees and have also run my own retail business but really what matters is common sense, integrity, openness and honesty.

Yours sincerely,

James Kilmurray
