

Helene McNamara

Nomination for Vice President, Committee of the Celtic Club

Experience as Vice President has shown me the wishes of members are to support our transition from Queen St and a planned return to our old site. My husband, Jim Cusack, and our sons are members and value our rich Irish family history and association with the Club.

My commitment is to Club's future, both financially and culturally. My work includes representing the Committee on all matters concerning the project related to 320 Queen St. I have represented the Committee on financial, legal and commercial initiatives. I am proud our Committee has sponsored cultural, heritage and sporting events. We have expanded networks with smaller Irish organisations attending events held at the Club in conjunction with the Irish Embassy.

Professional experience includes complex contract management and managing budgets in child protection and youth justice. My qualifications are B/Arts, Dip/Crim. My experience on other Boards of Management means I work to standards of good governance.

I seek your support for the following candidates : Brian Shanahan, Helene McNamara, Conrad Corry, Denis Swift (office bearers) and Ciaran Crehan, Brad Green, Clare Murphy, Peter Hudson and Eileen Dunn as members.
