

Ciaran Crehan
Nomination for Committee Member, Committee of the Celtic Club

My family and I have been going to the Celtic Club since the early 1970s. I have been on the Committee for three years. During this time I have helped plan for the redevelopment at 320 Queen Street. I am committed to returning to 320 Queen Street as I see it provides a great opportunity to develop a cultural and community centre for all Celtic people.

I seek your support for the following candidates Brian Shanahan, Helene McNamara, Conrad Corry, Denis Swift (as office bearers) and Eileen Dunn, Brad Green, Peter Hudson and Clare Murphy for the Committee.

Ciaran Crehan.
