### **Nomination for Committee Member, Committee of the Celtic Club**

**COMING HOME TO QUEEN ST – SEEING IT THROUGH.** This is the most important issue facing our club and as members you have rightfully been vocal on the move home to Queens St as a permanent base.

I am proud father of a little boy, I come from a family history of involvement in Irish and Irish Australian organisations and I am greatly proud to have served two terms on this committee.

Unlike some that are running against us that hide behind anonymous websites and faceless email accounts, we are a team that is active within the community. You'll see us at many events throughout the years and it has been a pleasure meeting many of you during this time.

A vote for our team is a vote for experience and close working relationships with other Irish and Celtic organisations.

Please support us by casting your vote and help finish the job to come home to Queen St.

I recommend voting for the following nominated members:

- SHANAHAN, Brian - President
- MCNAMARA, Helene – Vice President
- CORRY, Conrad – Secretary
- SWIFT, Denis – Treasurer

#### **Committee:**

- GREEN, BRAD
- CREHAN, Ciaran
- MURPHY, Claire
- DUNN, Eileen
- HUDSON, Peter
